*Savings off normal rental prices for an Australian resident in the top tax bracket, based on effect of take home pay and includes 1.5% Medicare levy and employer passing on the GST input tax credit (if available). Savings are based on income tax rates and thresholds applicable at 1 July 2006. Savings may change if tax rates or thresholds change after this date. These results are indicative and do not take into account additional income, tax liabilities and social security arrangements that are outside your salary package. For independent advice, please speak to a financial adviser or tax agent. †Flexirent price is based on stated RRP price and is a rental lease price over a 36 month term, payable monthly. Conditions apply. #Salary packaging price for an Australian resident in the \$75,001 to \$150,001 tax bracket applicable as at 1 July 2006. Payable monthly. Conditions apply. †2 month term is applicable for amounts financed below \$2250. **Terms and conditions apply. Please refer to the retail store for details.
