

Take full advantage PACK FACT

HOW DO REIMBURSEMENTS WORK?

REMEMBER: You will only be reimbursed the amount deducted from your salary. You will receive the funds in your account within 5 days of Remunerator receiving your claim.

Example:

- You have budgeted \$9,000 per year for your Credit Card expenses.
- You have \$346.15 deducted from your salary each fortnight for salary packaging ($\$9,000 \div 26$).
- After 3 fortnights you have had \$1,049.31 deducted from your salary ($\$349.77 \times 3$). \$1,049.31 is available for you to claim.

When you claim less than what has been deducted from your salary (eg. less than \$1049.31)

1. After paying \$600 off your credit card you submit your credit card statement online or using one of our apps.
2. Remunerator processes your claim within 2 days of receipt.
3. \$600 is deposited into your account in 3 working days.
4. **Please Note:** You still have \$449.31 available to claim ($\$1,049.31 - \600).

When you claim more than what has been deducted from your salary (eg. more than \$1,049.31)

1. After paying \$1,500 off your credit card you submit your credit card statement online or using one of our apps.
2. Remunerator processes your claim within 2 days of receipt.
3. \$1,049.31 is deposited into your nominated account in 3 working days.
4. The remainder of your claim is reimbursed to you over the following pay periods as the money is deducted from your salary. **ie. your claim for \$1,500 is reimbursed over 3 fortnights (\$1,049.31 + \$349.77 + \$100.92).**

If you package multiple benefits that are to be reimbursed to you when you submit your claims, the claims are processed and reimbursed in the order they are received..
